BRAND

**Andrex**

**Viva**

## Life @ Kimberly-Clark

### 1. A Purpose as Passionate as YOU

Our work is rooted in our Purpose- **Better Care for a Better World**. We are dedicated to improving lives of one billion people in underserved communities around the world.

### 3. Transform your Career

You'll drive innovation and growth, building on our 150+ years of market leadership, working on our legendary brands, including Huggies®, Kleenex®, Cottonelle®, Scott®, Kotex®, Poise®, Depend®, Kimberly-Clark Professional® and many more.

### 2. Experience a Culture of Caring

You'll experience a truly caring culture. We focus on creating an inclusive and supportive work environment for all to thrive in. We integrate inclusion into everything that we do, using our strength to combat inequities for our people.

### 4. Growth and Development Opportunities

You will get ample opportunities to develop new skills and expand your capabilities. You will get exposure to networking opportunities, mentoring programs and various employee resource groups.

Led By Purpose. Driven By You.

# Finance Opportunities:

Our program provides hands-on experience in finance through real projects, including updating financial reports and presentations, reviewing profit and loss performance, and creating business cases for innovations and commercial proposals to enhance sales and profitability sustainably. You will receive performance evaluations and constructive feedback to help you identify your strengths and areas for improvement.

## Program Highlights:

- Lead individual projects within your business unit
- Get hands-on experience with impactful analysis
- Interact with interns and senior leaders from other functions
- Get real-time feedback from mentors
- Get a blend of formal training, on-the-job learning and exposure to broad business issues

## Where to Start:

If you have:

- Strong analytical skills
- Effective communication and leadership skills
- Good knowledge of finance, accounting, economics and related fields
- Ability to work individually and in teams
